Indicators of Public Research Policy Portugal

Tiago Santos Pereira
Fundação para a Ciência e a Tecnologia

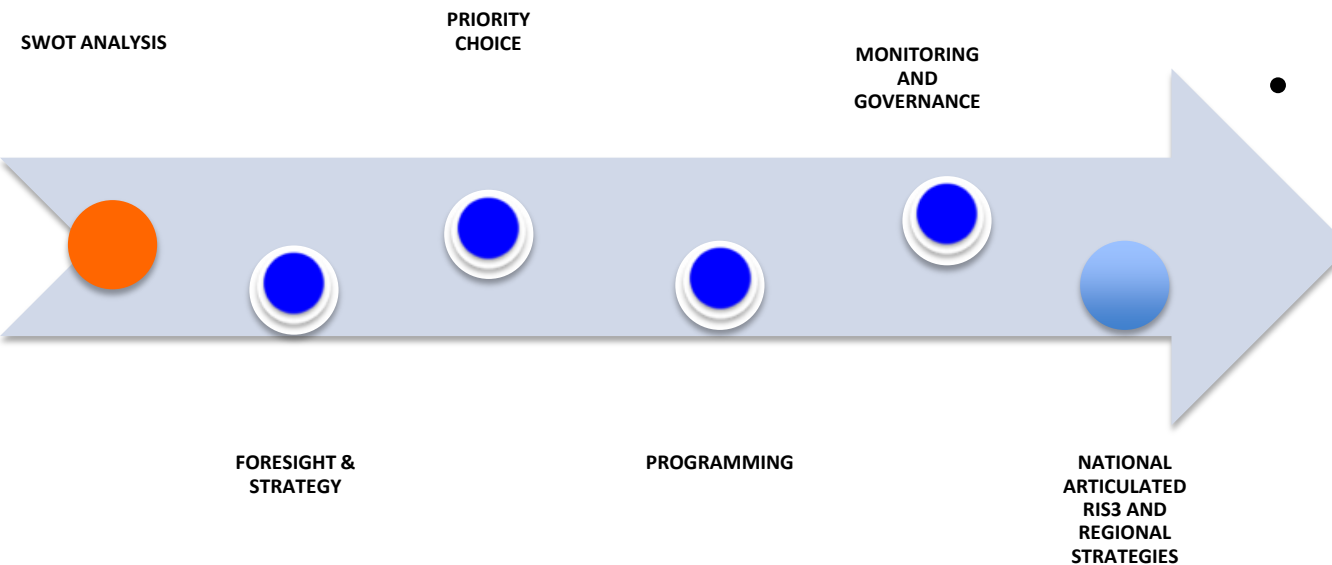

“Many countries have strategic orientation bodies. The scope of their activity varies. In Portugal, the Foundation for Science and Technology (*Fundação para a Ciência e a Tecnologia*, FCT) co-ordinates both HEI and PRI policy.”

NATIONAL LEVEL

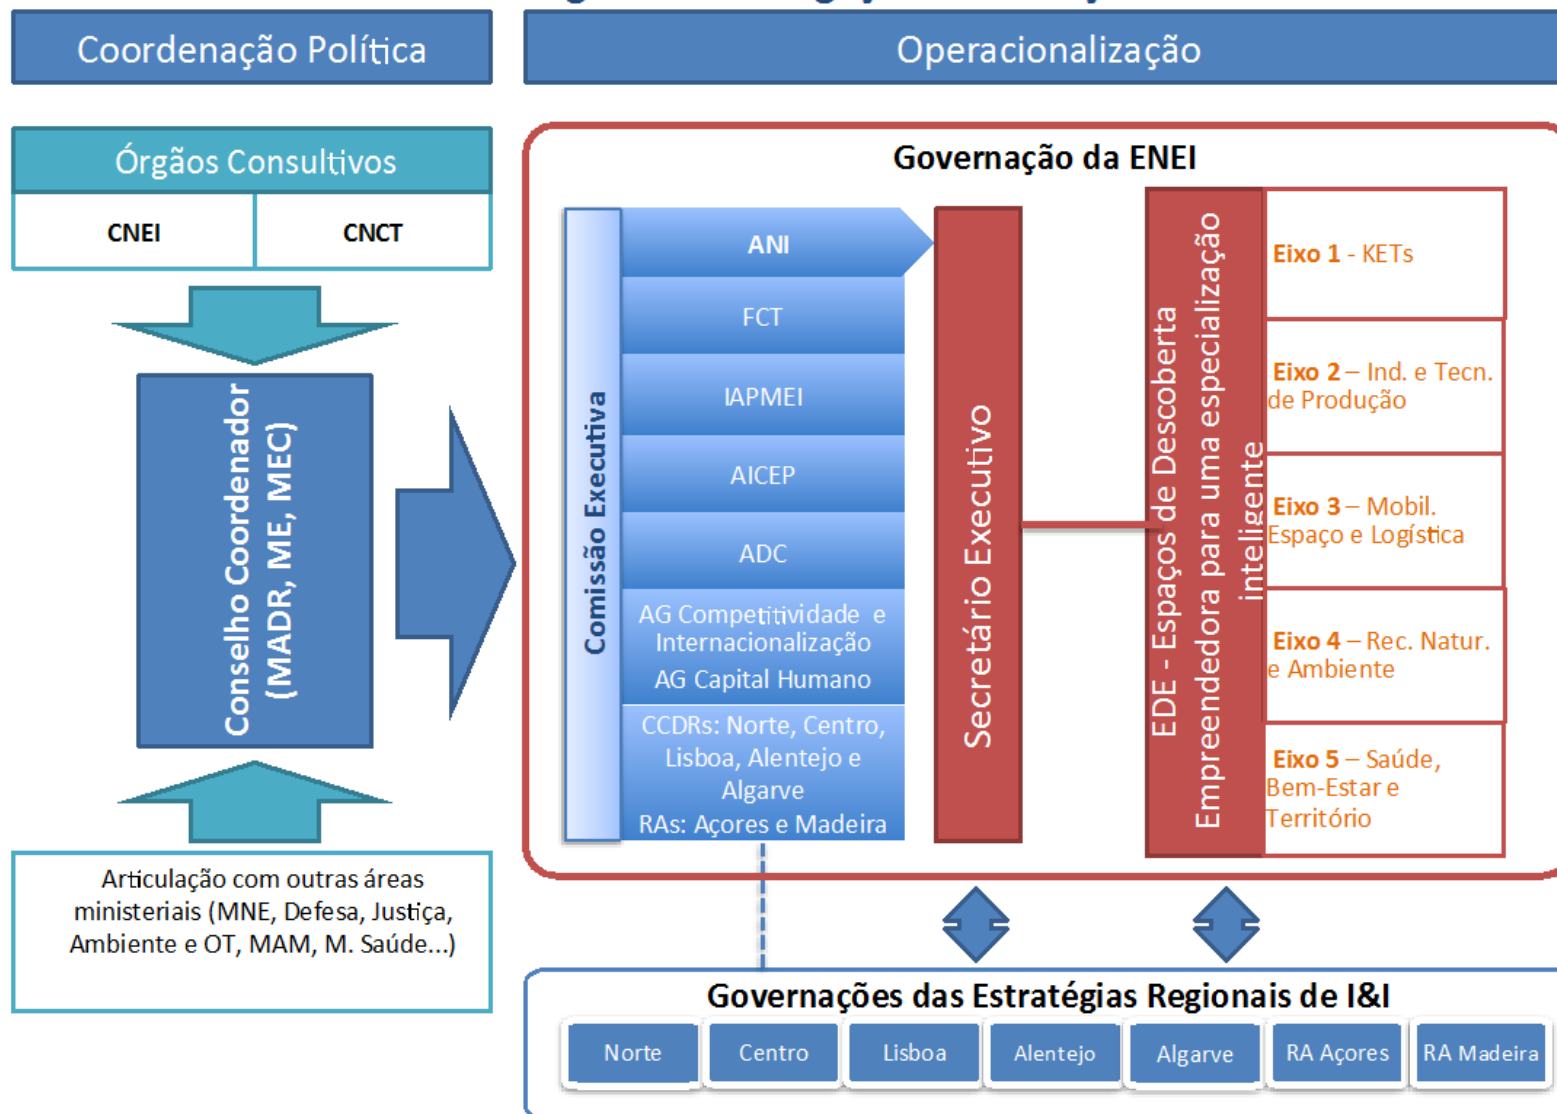

- ‘Coordination in action’ with Regions
- Articulation of Strategies
 - Local/Regional
 - National/Transnational

PORTUGAL 2020 WILL BE A MORE COMPETITIVE, CREATIVE, AND INTERNATIONALISED ECONOMY BASED ON TRADABLE GOODS AND SERVICES WITH HIGHER INTENSITY IN R&I, THROUGH THE STRENGTHENING OF RESEARCH AND INNOVATION CAPABILITIES AND INCREASED SYNERGIES IN THE INNOVATION SYSTEM.
