

Innovation Policy

[Back to video library](#) [1]**Speaker:**

Scott Stern

Date:

April 15, 2014

Event:

Innovation Policy Course

Running Time:

1 hour and 33 minutes

SUMMARY

Professor Scott Stern introduces the three central themes to introduce Innovation policy: the role of innovation in economic development and social progress, the requirements and infrastructure to support innovation within a given economic and political environment, and how these institutions and policies need to adapt over time as innovation and science evolve. Particular attention is placed on the challenges of nurturing innovation ecosystems in developing and emerging economies.
