

## If Technology Has Arrived Everywhere, Why has Income Diverged?

[Back to video library](#) [1]**Speaker:**

Diego Comin

**Date:**

April 14, 2014

**Event:**

Innovation for Growth and Shared Prosperity

**Running Time:**

22 minutes

### SUMMARY

Technology diffusion can help foster economic growth, however with varying success across countries. In this presentation, Diego Comin reviews patterns of technology diffusion in developed and developing countries, analyzes the causes for converging adoption lags, and discusses the great divergence in productivity. He then provides policy advice on how to remove barriers to technology adoption.
