

Highlights and reflections: Rapporteur's report (Performance-based Funding for Public Research in Tertiary Education Institutions: Workshop Proceedings)

The OECD together with the Norwegian government organised the workshop, Performance-Based Funding for Public Research in Tertiary Education Institutions: Country Experiences, to do a stocktaking of the performance-based research funding systems (PRFSs) now in place in a number of countries. This chapter outlines the main topics discussed at the workshop, emerging key policy issues and possible next steps for work on this subject.
