

France (The Call for Innovative and Open Government: An Overview of Country Initiatives)

Since June 2007, measures aimed at modernising central government public services have formed part of the overall framework of the "General Review of Public Policies" (Révision générale des politiques publiques, RGPP). The RGPP's steering body, the Council for the Modernisation of Public Policies (Conseil de modernisation des politiques publiques), which met in June 2010 under the chairmanship of the President of the Republic, reaffirmed the priority being given to improving the quality of service delivery to users.
