The Challenges of Dual Economy

163 minutes

Keynote Speaker

Mr. Avi Hasson is the Chief Scientist of the Ministry of Economy of Israel since January 2011. The Office of the Chief Scientist ("OCS") in the Israeli Ministry of Economy is the government entity in charge of the execution of government policy for support of industrial R&D. The goal of the OCS is to assist in the development of technology in Israel as a means of fostering economic growth, encouraging technological innovation and entrepreneurship, leveraging Israel's scientific potential, enhancing the knowledge base of industry in Israel, stimulating high value added R&D and encouraging R&D collaboration both nationally and internationally.
