

Innovation Policies for Inclusive Development

[Back to video library](#) [1]**Speaker:**

Susan Cozzens

Date:

April 14, 2014

Event:

Innovation for Growth and Shared Prosperity

Running Time:

25 minutes

SUMMARY

Inclusive innovation is crucial to expand poor people's access to basic goods and services. In her presentation Susan Cozzens describes how conventional science and technology policies have actually increased inequality, shared several policy solutions to increase inclusion. Professor Cozzens discusses different models to promote innovations that seek to improve the lives of the poor and provided several tangible examples of success stories.
