Spain (SMEs, Entrepreneurship and Innovation)

The Inno-Empresa programme 2007-13 replaced the previous SME Consolidation and Competitiveness Plan 2000-06 and was included in 2006 as part of both the Spanish National Reform programme and the Entrepreneurship Programme. Inno-Empresa is budgeted with EUR 75 million per year; the main sources of financing are the Spanish Ministry of Industry, Tourism and Trade (EUR 500 million), the Autonomous Communities (EUR 125 million) and the European Regional Development Fund (EUR 110 million).
